

The Water Cycle Allah Made

***It is Allah Who sends the winds,
which then stir up 'vapour, forming'
clouds, which He then spreads out
in the sky or piles up into masses as
He wills, from which you see rain
come forth. Then as soon as He
causes it to fall on whoever He
wills of His servants, they rejoice***

***Surah Ar Rum
30:48***

Allah THE ONE who created

The Creatures

That live on the Earth

Watered by the Rain

That precipitated from the Cloud

That condensed the Water Vapour

Evaporated by the Sun

That warmed the Ocean

That is part of the Water Cycle He made!

These are the Creatures

That live on the Earth

Watered by the Rain

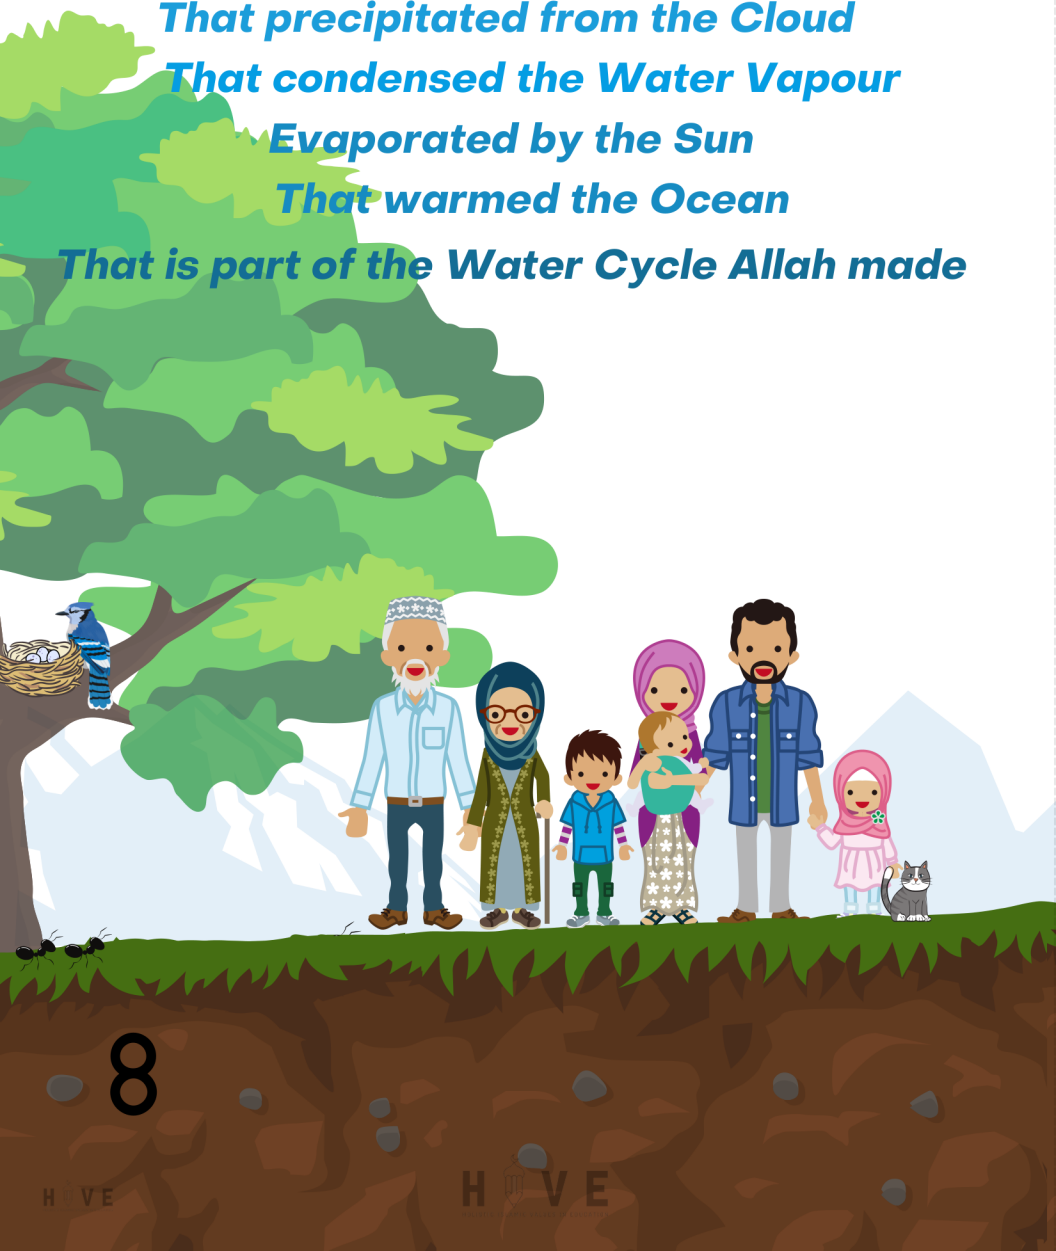

That precipitated from the Cloud

That condensed the Water Vapour

Evaporated by the Sun

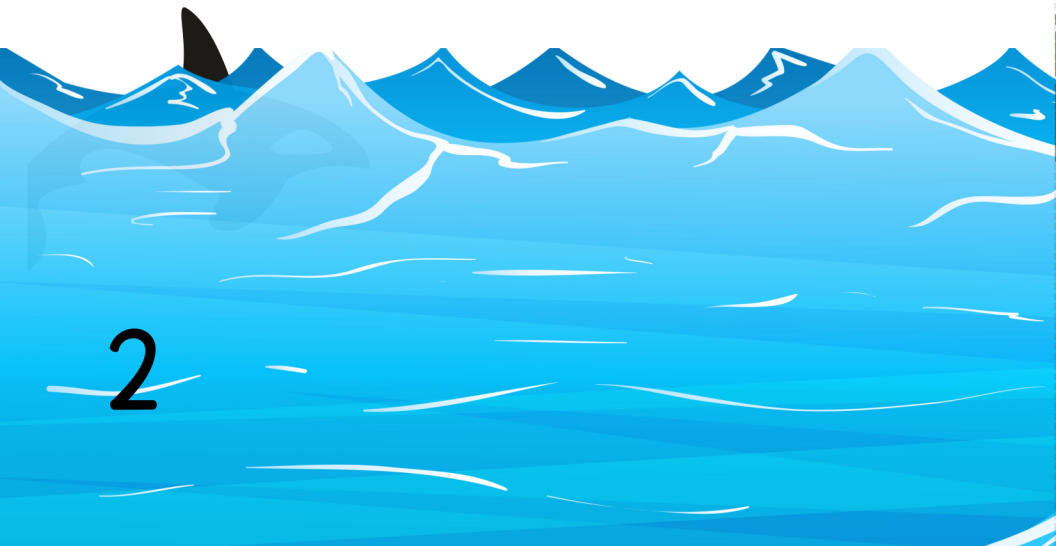

That warmed the Ocean

That is part of the Water Cycle Allah made

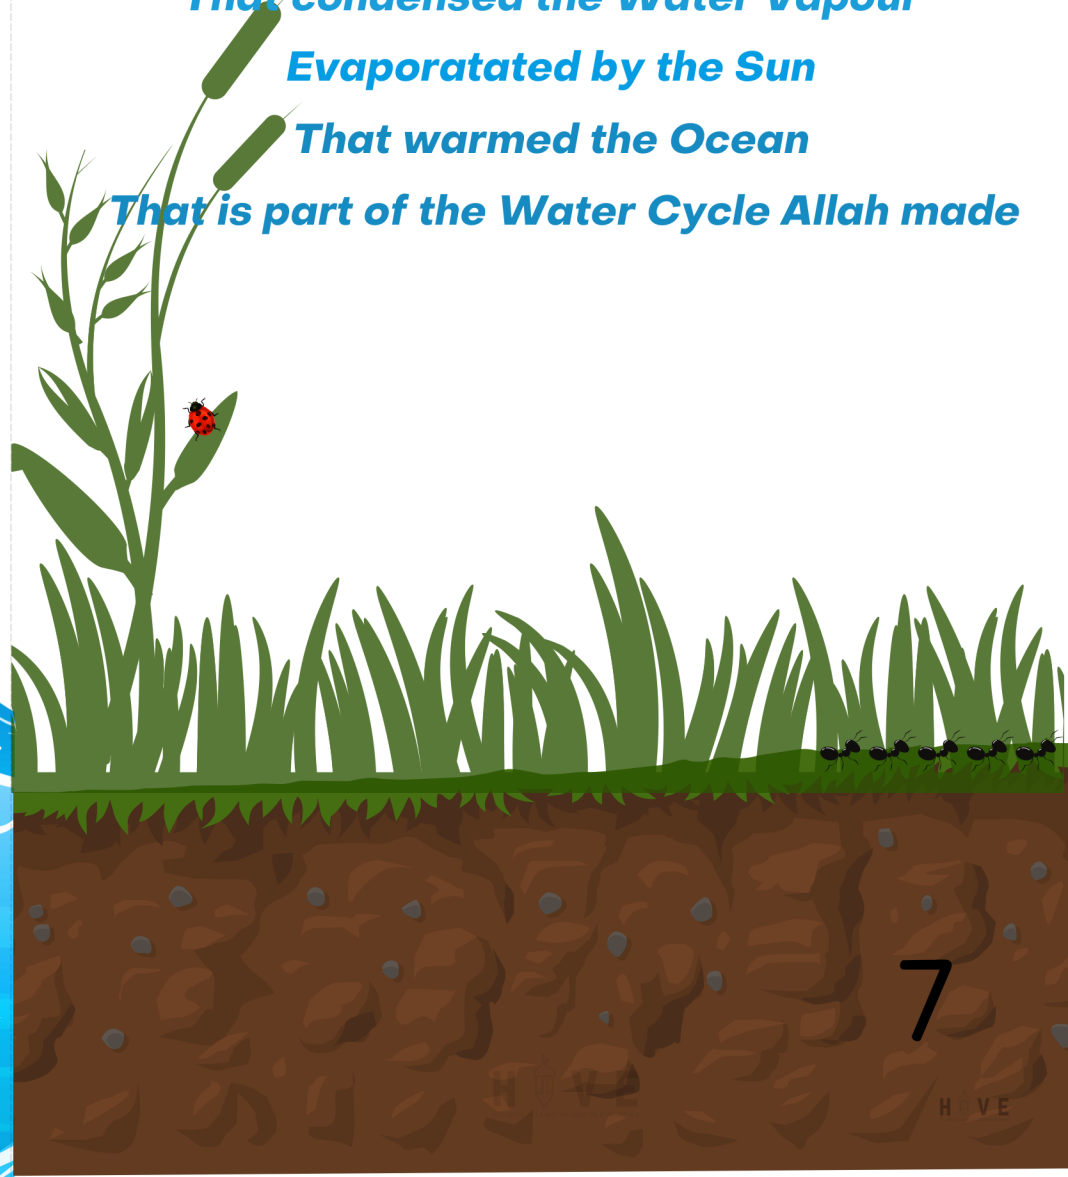

This the Water Cycle Allah made

*This is the Ocean
That is part of the Water Cycle Allah Made*

2

*This is the Earth
That is watered by the Rain
That precipitated from the Cloud
That condensed the Water Vapour
Evaporated by the Sun
That warmed the Ocean
That is part of the Water Cycle Allah made*

7

*This is the Rain
That **PRECIPITATED** from the Cloud
That condensed the Water Vapour
Evaporated by the Sun
That warmed the Ocean
That is part of the Water Cycle Allah made*

*This is the Sun
That warmed the Ocean
That is part of the Water Cycle Allah made*

*This is the Water Vapour
EVAPORATED by the Sun
That warmed the Ocean*

That is part of the Water Cycle Allah made

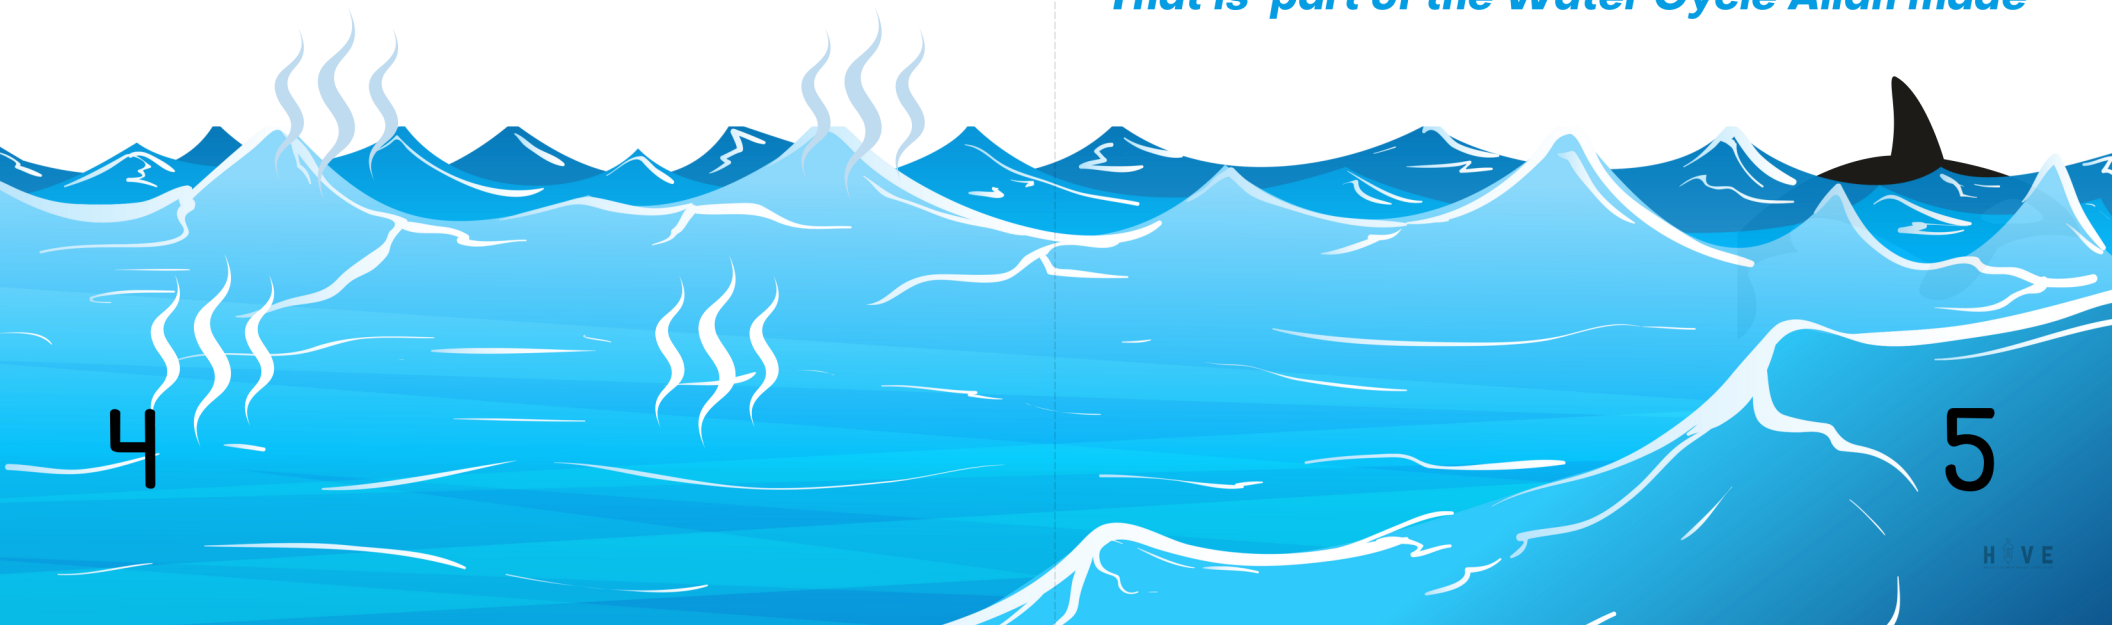

This is the Cloud

*That CONDENSED the Water Vapour
Evaporated by the Sun*

That Warmed the Ocean

That is part of the Water Cycle Allah made
