

An Naas

الْأَنَاسِ
Mankind

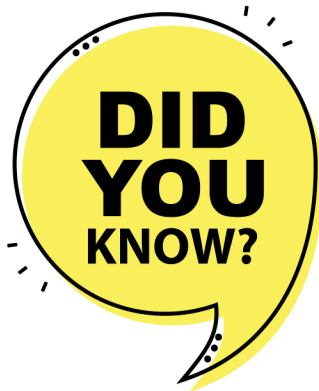

بسم الله الرحمن الرحيم
قُلْ أَعُوذُ بِرَبِّ النَّاسِ
مَلِكِ النَّاسِ
إِلَهِ النَّاسِ
مِنْ شَرِّ الْوَسْوَاسِ الْخَنَّاسِ
الَّذِي يُوَسْوِسُ فِي صُدُورِ النَّاسِ
مِنَ الْجِنَّةِ وَالنَّاسِ

In the name of Allah, The Most Gracious and The Most Merciful

Say, 'O Prophet,' I seek refuge in the Lord of humankind
the Master of humankind
the God of humankind
from the evil of the lurking whisperer
who whispers into the hearts of humankind
from among jinn and humankind.

بسم الله الرحمن الرحيم

In the name of Allah
The Most Gracious
The Most Merciful

- ◇ Surah An Naas was revealed in Makkah
- ◇ Surah An Naas is the last surah in the Quran

When we recite Surah An Naas it keeps us safe.

It is like an invisible cloak protecting us throughout the day!

There are very import people who
can help us in many ways.

But only Allah, the Lord of
mankind, can protect us from
everything!

Surah An Naas is about asking
Allah to protect us from the all
creation that can harm us.

Shaytan is a jinn made of fire.

He wants us to do bad things
He whispers into our hearts and
then runs away.

There are also some people who
try to get us to do bad things.

We should not listen and try to
keep away from them.
